

PLAN WINTER STORAGE HENNINGSEN & STECKMEST

PLAN WINTER STORAGE HENNINGSEN & STECKMEST

Dear Sailors and Guests,

gladly we will take over your ship and it's storage for the winter after your adventure filled summer. In our halls, cold, heated or in open air storage space your boat will find the perfect space. Our experienced dock crew lays every Mast and takes you boat to the chosen storage space.

As owner of the boat you can take part in the process in the dockyard and those who wish to lend a hand are heartily invited to do so.

For repairs or expert advice we will happily be of assistance. Often even over the weekend.

Unsere Dienstleistungen:

- Winter storage (heated/unheated/outside storage)
- temperate sail chamber
- Mast dump
- very nice WC and shower
- Coffeebar
- Care- and repairservice
- technical support
- individual crane service

Costs:

Outside storage: 11,31 Euro
 Storage unheated: 19,64 Euro
 Storage heated: 45,82 Euro
 (per sqm LoA x BoA, inkl. Tax)
